My dear Sir, Nov 17/29

I have just received, & have  
sent on to the printer, your  
kind contribution to the Anti-  
Gentry.

I consider that  
your act in so kindly replying  
to my importuning, was most  
condescending and courteous,  
and it adds to the weight  
of my indebtedness to you.  
Ever yours

and standing would have  
done the same.

Wishing you & Miss Collier  
many years of happiness,  
I remain,

Most sincerely yrs

Edward Ford
